Key Service Commitments

About Us

National Joblink (NJL) is a not-for-profit, community owned organisation established for over 30 years. We have been servicing the Tasmanian Community for 30 years and Far North and Central Queensland community for the past 10 years. We offer a range of services including accredited and non-accredited training, government funded programs, driving lessons, work skills training and more. NJL are here to help however, whenever and wherever suits you.

As your Parent Pathways provider, we will:

- Provide extensive coverage of the North and North Western Tasmanian Region through our mobile servicing
- Give you access to our NJL Driving School to build skills, knowledge and hours
- Work with childcare providers to secure spots for your children
- Connect you with an experienced and passionate mentor to provide tailored support
- NJL's extended hours phone service will provide mentor support for those commencing work or study.
- Support referrals to Mental Health Services
- Regularly seek your feedback on how we can improve our service to help you achieve your goals!

By joining Parent Pathways, we will work alongside you to:

- Identify and overcome any challenging situations you're facing - financial, health and mental wellbeing, transport, housing, childcare, social, parenting and more.
- Expand your community and social connections by running and participating in parent-focused activities
- Create a tailored, achievable goal plan that recognises your important role as a parent/carer and sets you up for future success.
- Explore education providers that will support you to complete your study, including access to language, literacy numeracy and digital literacy support.
- Connect with family-friendly employers that provide long-term employment opportunities.

Our connections can help you:

Through our connections NJL provide a uniquely tailored support system that benefits our participants. If you want to connect with; multicultural, disability, First Nations, childcare, finance, education, employment, housing, transport, health and mental health or any other support service - we can make it happen!
